## **Solemnity of our Lord Jesus Christ, King of the Universe—November 24th**

The Solemnity of Our Lord Jesus Christ, King of the Universe is celebrated on the last Sunday in Ordinary Time (the last Sunday of the Church year). This Solemnity honoring the Kingship of Christ was originally instituted in 1925 by Pope Pius XI. The Holy Father Pope Pius XI, wished to combat a rising trend towards godlessness and challenges to the Kingship of Christ. These challenges included the rise of atheism, attempts to exclude clergy input in public discussions, attempts to remove the influence of God in the formation of laws and public policy, and the rise in secularism. Pope Pius XI wanted to remind the nations that the Catholic Church remained more important than political realms.

Today, threats to the Faith continue in the world and in our society. Let us recall and be strengthened by the words of Pope Pius XI: "While nations insult the Beloved Name of Our Redeemer by suppressing all mention of it in their conferences and parliaments, we must all the more loudly proclaim His kingly dignity and power, all the more universally affirm His rights!"

## **Thanksgiving Day – November 28th**

Did you know that many countries all over the world celebrate a day of thanks, many of which center on a successful harvest season?

- \* Canada's Thanksgiving is very similar to the American celebration marking the successful harvest of French settlers in modern day Canada. The celebration takes place in October when weather is warmer.
- \* Germany celebrates the Harvest Thanksgiving Festival in October which like American celebrations consists of feasting and religious tradition.
- \* The Japanese observe Labor Thanksgiving Day which has its roots with harvest celebrations but now focuses on labor, production and thankfulness.
- \* The Netherlands observe a Thanksgiving Day service to honor the Pilgrims that lived in Leiden before continuing on to Plymouth.
