FROM THE PRINCIPAL'S DESK MS. JOANNE GANGI

Daylight Savings Time ends today. Have you turned your clocks back? Our days will be getting shorter now, a sure sign that winter's not far behind.

This week is a quiet one after the activity of last week. Halloween is over and our costumes have all been put away. We are still awaiting the results of the California Pizza Kitchen Pumpkin Contest. Last week Grades N-3 each submitted a class pumpkin for the contest. There were some very creative submissions, it's so hard to pick a winner. I hope you have an opportunity to see them first hand as they decorate the restaurant.

The Yankee Candle Sale ends on Wednesday.

Grades K-3 will be venturing to Queens Theatre on Friday. The show they will be seeing is a holiday favorite called "Turkeys and Tomahawks".

Do you have your tickets for Holiday Sweeps? It's taking place on Friday evening and it's not too late to get them. There are tons of prizes and raffles to be won, but you have to be in it to win it.

The eighth graders are taking the TACHS exam on Saturday. This exam will determine which Catholic High School they will be accepted to. Please keep our students in your prayers.

Our Dance Club began last Monday. There will be at least two sessions due to the popularity of the club. Each session takes place over four weeks. Thank you to Ms. Mazzarelli, Mrs. McPhillips and Ms. Porcelli for moderating this club.

Our Robotics Club has been meeting for the past three weeks on Monday afternoons. The students are busy assembling their structures for the Nature's Fury Competition. After assembly is completed, the students will work on enhancing and programming the robot so it will be able to complete certain tasks in a given period of time. In addition, to the robot performing certain tasks, each team must put together a presentation depicting a natural disaster they chose and determining what could be invented to assist people before, during and after the disaster. Thank you for all the Lego donations we have received. Please keep in mind that some companies will provide grants for our club. We are grateful to National Grid for sponsoring our club's initial endeavor. Thank you also to Mr. and Mrs. Mezic who coach the students each week. We are still accepting new members from grades 6, 7 and 8. Please contact me if you are interested.

I cannot miss the opportunity to thank Mrs. Larsen and Mrs. Wagner for once again doing a superb job coordinating the White Elephant Sale. You cannot imagine what it takes to get the job done. This year we surpassed last year in sales. Way to go ladies!

This week our Chess Club begins. Thank you to Mr. Snow and Mrs. Sally for providing students with this opportunity.
