**FROM THE PRINCIPAL'S DESK**  
**MS. JOANNE GANGI**

Now that our celebration of National Catholic Schools Week has ended, the pastor, principal, staff and students wish to thank the families, parishioners and friends who helped make our week special. We appreciate the time you spent learning about the community of faith, knowledge and service that Sacred Heart School provides for our students and our parish.

This Sunday the second grade will attend the 9:30 Mass. Following the Mass there will be a Proximate Preparation Meeting for the children and their parents.

Groundhog Day is today. Will the groundhog see his shadow and we'll have six more weeks of winter or can spring be right around the corner?

Monday is the Feast of St. Blaise. Saint Blaise's feast day is remembered because of the Blessing of the Throats that take place on this day. Two candles are blessed, held slightly open, and pressed against the throat as the blessing is said. Saint Blaise's protection of those with throat troubles apparently comes from a legend that a boy was brought to him who had a fishbone stuck in his throat and Saint Blaise healed him. Our students will have their throats blessed on this day.

On Thursday, the students will have a Dress Down Day.

First Friday Mass will be hosted by the seventh grade. Following the Mass, February birthdays will be announced and Student of the Month certificates for January will be awarded.

Also on Friday we will recognize National Wear Red Day to raise awareness and support research for heart disease. Students may wear red on that day if they make a donation of at least \$1 to the cause.

The Sweetheart Dance will be held on Friday, February 7<sup>th</sup>. Have you gotten your tickets yet? It's not too late. Please contact the school office for more information at 718-456-6636.

Congratulations are in order for our Robotics Club. On Saturday, January 25<sup>th</sup>, our team participated in the First Lego League Qualifying Tournament held at George Ryan Junior High School, Queens. This was our very first competition and we competed against 33 other Queens teams, both Catholic and public. It was a very exciting and challenging program. The students' demonstrated their programming and robot design in the Robot Challenge at three different times. They also gave a presentation to three different groups of judges regarding a natural disaster that they researched. They provided background information about avalanches and devised a solution to a problem that might be caused by an avalanche. They even created a prototype of equipment that could be used in an avalanche. All in all, it was a fun day and we walked away with the Inspiration Trophy for Core Values and an opportunity to do it all again. Next stop, the Javits Center in April. Thank you to Mr. and Mrs. Mezic for all their hard work. And ... applause for the team: Anthony Gerace, Domenic LoBosco, Lukas Mezic, Nicholas Mezic, Alejandro Scacalossi and Christopher Vollmerhausen.
