Yesterday our second grade students received the Sacrament of First Eucharist. In keeping with tradition, they will lead our school in the May Crowning on Wednesday at 11:00. These youngsters will be dressed in their Communion outfits. All are invited to join us at this beautiful celebration.

Lenten Mite Boxes were distributed to the students in March. When they returned them just before Easter, they had collected a total of \$364.10. A donation was made to The Propagation of the Faith. Well done boys and girls!

Our annual Science Fair was held on April 14th. The students did a phenomenal job on their projects and were excited about all that they had accomplished and learned through their scientific discovery. Every Science project from students in grades K-8 were on display in the gym for viewing. Six projects from each grade (4-8) were chosen to be judged. Each project was evaluated by two different judges and their scores were combined to reach a total score. All students who were judged received a Participant's Ribbon. First, second and third place ribbons were also awarded. The results are as follows:

Grade 4

First Place: Jenna Dooley
Second Place: Meghan Bernardy
Third Place: Noelle Jannello-Ruiz

Grade 5

First Place: Francesco Inguaggiato and Gabriel Lotrijan
Second Place: Daniel Greenwald
