PATHWAY TO PRAYER

All parishioners are invited to consider donating a brick to our "Pathway to Prayer" in front of the Sacred Heart of Jesus Statue, in the newly renovated Sacred Heart Garden. Special intentions are carved into it and are available for \$250.00. This will also help to contribute for the expenses for the Sacred Heart Garden.

SAVE THE DATE—END OF LIFE ISSUES

WHOM DOES IT CONCERN:

- The Elderly:** They will be the victims.
- The Mid-Lifers:** They have aging parents.
- The Young:** They are the future.

It is expected that "Activists" will present a revision in NYS law that is intended to protect those to whom "assisted suicide" and the termination of life through administration of a pill would be come a choice.

BUT WHOSE CHOICE?

Lisa Honkamen, MD will speak on these issues through her extensive experience as a practicing physician specializing in the care of the elderly.

When: Sunday, February 3, 2019

**Celebrate Catholic
Schools Week 2019**
January 27 - February 2 #CSW19

Today marks the beginning of National Catholic Schools Week, the annual celebration of Catholic education and its focus on faith development, academic excellence and community service. We've planned some special activities for the week.

Today we begin the week with our Opening Mass at 9:30. Everyone is invited as our students and families participate in the celebration of the Mass. Following the Mass, everyone is welcome to join us at the school for refreshments and to walk through our building. For prospective families, tours will be conducted and questions answered. Registration information and applications will be available in the school office for families that are registering for the first time.

On Monday and Tuesday we celebrate Academics. Each class from Nursery to 8th grade will participate in the game of Jeopardy. Classes will earn points and win prizes.

Wednesday we celebrate Students' Day. All of our students get to play games and enjoy delicious do-it-yourself sundaes. The students will dress down wearing shirts from their favorite sports team. Wednesday evening is our Alumni Volleyball Game at 7:00 pm. The graduating class of 2018 will come back to play against the class of 2019.

We celebrate our Faculty and Staff with words of thanks and praise for those who help to make Sacred Heart Catholic Academy a great place to learn and work on Thursday. The morning will begin with a big breakfast served by the 8th graders who are assisted by the 8th grade class coordinators.

Also on Thursday we celebrate Vocations. Our sixth, seventh and eighth grade students have been learning about The Way of St. James Pilgrimage. They have prepared journals and power point presentations as part of their study. As a culmination of this experience, we have invited two priests, who walked the 30 day Way of St. James Pilgrimage this past summer, to speak to our students and show them photos from this undertaking.

We are participating in "Go Red for Heart Disease" on Friday. The students will make donations and wear red to show their support for the awareness of heart disease.

On Friday we celebrate at First Friday Mass which will be hosted by grade 8-1. Following the mass we will announce February birthdays and award Student of the Month certificates for January. The Sweetheart Dance takes place on Friday evening. Have you purchased your tickets?

Faith Corner

JANUARY IS PRO-LIFE MONTH

The following facts are startling:

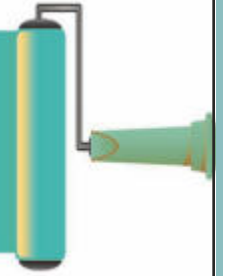

- In 2015 California became the 5th state in the U.S. to legalize physician assisted suicide, along with Oregon, Vermont, Washington State and Montana.
- In 2008, Oregon resident, Barbara Wagner wanted to try an experimental chemotherapy drug but her insurance company offered to pay for "physician aid-in-dying," which cost \$100 for a one-time use of pills that would end her life.
- Lethal drugs have been given to patients in Oregon who have respiratory or cardiac disease and even "benign and uncertain" tumors.
- In Oregon and Washington no psychiatric evaluation or treatment is required; patients with depression qualify for assisted suicide.
- Hospice utilization rates have drastically declined in Oregon and Washington since the legalization of assisted suicide.
- The Netherlands allows children as young as 12 with parental consent, to request assisted suicide.
- Belgium has removed any age restriction on assisted suicide. Among patients receiving lethal drugs are those with depression, personality disorders and Asperger's syndrome (autism).
- Canada's highest court has defined a "right to euthanasia."
- Switzerland is home to the biggest euthanasia organization in the world. The organization has voted to include "suicide because of old age" on its statute.

We live in a society that is genuinely lost and in need of our Lord and Savior. It's time to pray more fervently, fast, become informed and vote for candidates who are committed to protect life from conception to natural death. As Catholics, we understand that in caring for the mentally/physically challenged, the aged, and the sick we develop the virtues of compassion, sympathy and patience and receive God's graces. As Catholics, we recognize the dignity in suffering rather than the dignity of assisted suicide for it is in suffering that we turn toward God and allow Him to work some great good in us.

St. Joseph and St. Pio Prayer Group

Our next meeting will be on Saturday, February 2nd. Members are invited to participate at the 8:30 am Mass at St. Pancras Church. After Mass, the Rosary will be recited, and a continental breakfast will be served in Pfeifer Hall.
