FEAST OF CORPUS CHRISTI

The Solemnity of the Most Holy Body and Blood of Christ (Corpus Christi) celebrates the real presence of Jesus Christ in the Holy Eucharist. The feast dates to the Middle Ages and originated with a Eucharistic miracle in 1263. Father Peter of Prague made a pilgrimage to Rome in 1263 stopping in Bolsena, Italy to celebrate Mass. At the time, he was having doubts about the real presence of Jesus in the Blessed Sacrament. In response to his doubt, when he recited the prayer of consecration as he celebrated Mass, blood started seeping from the consecrated host and onto the corporal. Father Peter reported this miracle to Pope Urban IV. The miracle was investigated and the host and blood-stained corporal were brought to Orvieto and placed in the Cathedral of Orvieto where they remain today. This Eucharistic Miracle confirmed the visions given to St. Juliana of Mont Cornillon in Belgium (1193-1258). St. Juliana was a nun and mystic who had a series of visions in which she was instructed by Our Lord to work to establish a liturgical feast for the Holy Eucharist. After persevering for years, she finally convinced the bishop (the future Pope Urban IV) to create this special feast in honor of the Blessed Sacrament. Soon after her death, Pope Urban IV instituted Corpus Christi for the Universal Church and celebrated it for the first time in Orvieto, Italy in 1264 a year after the Eucharistic miracle.

The next time you receive the Holy Eucharist, show deep reverence for the Body and Blood of Christ by bowing your head as the person IN FRONT OF YOU receives, and then hold your left hand *over* your right hand creating a tender cradle for the Eucharist. This frees your right hand to reverently raise the Eucharist to your mouth, or you may receive directly on your tongue. The Feast of Corpus Christi reminds us to always lead a life worthy of receiving Christ in the Eucharist.
