### FEAST OF THE NATIVITY OF THE BLESSED MOTHER SEPTEMBER 8

The Church celebrates Mary's birthday on September 8th. The feast day is exactly 9 months after the Solemnity of the Immaculate Conception on December 8th. Though the Church makes no claims as to the historical merit of either date, the dating serves a liturgical purpose in recalling the mysteries associated with Mary. The Blessed Virgin Mary's birthday is important due to her vital role in salvation history. According to the Catechism of the Catholic Church, "Against all human expectation God chooses those who were considered powerless and weak to show forth his faithfulness to his promises. Mary stands out among the poor and humble of the Lord, who confidently hopes for and receives salvation from Him. After a long period of waiting, the times are fulfilled in her, the exalted Daughter of Sion, and the new plan of salvation is established."

The faithful can celebrate the birth of the Blessed Mother in many ways. We can attend Mass that day. We can read Scripture concerning her role in salvation, such as the Annunciation, the Visitation or the Wedding Feast at Cana. We can pray the Most Holy Rosary.

*"O Mary, conceived without sin, pray for us who have recourse to thee."*
