### **EASTER SUNDAY THE RESURRECTION OF THE LORD March 31st**

The secularization of our holy days is just a reflection of the world around us. Visiting the Easter bunny and coloring eggs are fun traditions to do with children. However, our children **must** understand the significance of Christ's death and resurrection. Easter represents the fulfillment of God's promise to mankind and it is the most important holy day on the Christian calendar. If Christ had not risen from the dead, if He had died and not been resurrected, He would have been considered just another teacher, prophet or Rabbi. Christianity would have died with Christ. However, "...by being raised from the dead he has proved to be the mighty Son of God, with the holy nature of God himself."

(Romans 1:4)

Easter is more than colored eggs and chocolates. It's not about the bunny, It is about the **Lamb!**
